ZAKELIJK TYPOGRAFIE

Typografie speelt een belangrijke rol bij het communiceren van een afgeleide toon en kwaliteit. Zorgvuldig gebruik van typografie versterkt onze persoonlijkheid en zorgt voor duidelijkheid en harmonie in alle DesignInc uitingen. We hebben gekozen voor Raleway en Poppins, wat helpt om energie in het ontwerp te injecteren.

Het primaire kleurensysteem en kleurcodes

Kleur speelt een belangrijke rol in het **KitchenInShop** huisstijlprogramma. Onderstaande kleuren zijn aanbevelingen voor verschillende media. Er is een palet van primaire kleuren ontwikkeld, waaruit het kleurenschema bestaat. Consistent gebruik van deze kleuren zal bijdragen aan de samenhangende en harmonieuze uitstraling van de **KitchenInShop** merkidentiteit in alle relevante media. Controleer bij het gebruik van de huisstijlkleuren bij uw ontwerper of drukker of deze altijd consistent zijn.
